

# Abstract Template for IEPC 2021

First A. Author\* and Second B. Author Jr.†  
*Business or Academic Affiliation 1, City, State, Zip Code*

Third C. Author‡  
*Business or Academic Affiliation 2, City, Province, Zip Code, Country*

This template [1] is built using AIAA class and Bib Style Files. Please include enough detail to give the reviewers an idea of what your work will entail and your anticipated results. This outline includes potential sections that you may want to include. All files must be submitted in PDF format.

## I. Motivation and Background

*This section will give the reviewers an idea of which general topic area that your work falls under.*

## II. Approach

*This section will help reviewers understand what session your work best fits in under the general topic area, for example, work may be grouped by similar modeling approaches or problems that are being analyzed.*

## III. Preliminary and / or Anticipated Results

*Please give the reviewers an idea of the work you plan to achieve by the IEPC paper deadline.*

**Fig. 1** You may decide to include a figure or two.

## IV. Conclusion

A conclusion section is not required, though it is preferred. For the purposes of abstract submission, you may elect instead to elaborate on the planned work and anticipated results.

Please visit [iepcboston.org/abstract](http://iepcboston.org/abstract) to submit and email [iepc2021-tc@mit.edu](mailto:iepc2021-tc@mit.edu) with any questions.
